Ranjana Paintal

- Cambridge Health Alliance
- Charles Drew Health Center
- IU National COE in Women's Health
- Loyola University Medical Center (IL)
 - Montefiore Medical Center
- Robert Wood Johnson University Hospital
- Rutgers Cancer Institute University Hospital
- UT Southwestern Medical Center/Moncrief

Julia Rankenburg

- Liberty Dayton Medical Center
 - North Country Health Care
- University of Mississippi Medical Center
 - White Plains Hospital

How to Define Success

- You have met your screening goals
 - Focus on outreach to **uninsured** and **underinsured** women who are not connected with the health care system
- You have taken steps towards financial sustainability
 - Try to obtain donations when possible (such as for food and give aways)
 - Build local support for your program in your community

Tools to Help You Succeed

- Program Managers
- 2020 Standard Operating Procedure Manual
- See, Test & Treat Toolkit
- Communities of Practice

See, Test & Treat Communities of Practice

Charge: Communities of Practice offers program organizers and coordinators an opportunity to network with other program leads and coordinators, discuss and hear how other programs have faced program challenges and best practices for how to enhance or improve programs. The Communities of Practices gathers feedback and input from volunteers to improve See, Test & Treat program design and remove common obstacles faced by programs.

- Consists of
 - List-serve discussions/surveys
 - 3-4 webinar discussions on pre-determined topics (February, March, April)
- Members
 - 2020 programs representatives, and previous program representatives
 - Each program must identify 1 individual who will be the point person

Next Steps

- Make sure you have your contracts signed and submitted
- Finalize your date by Monday, January 13
- Set up a one-on-one call with program manager to discuss plans
 - Your program manager will be reaching out to you next week
- Announce your award to your colleagues and start getting the word out about the program
- Read the 2020 SOP Manual
- Go through the See, Test & Treat Toolkit
- Begin recruiting a planning team

2020 See, Test & Treat Programs

[*HEALTHIER*]

UT Southwestern Medical Center/Moncrief (TX)
White Plains Hospital (NY)

THANK YOU!!!
QUESTIONS?

CAP FOUNDATION Mission and Vision

- The CAP Foundation delivers charitable funding to improve patient care by:
 - Mobilizing pathologists to lead cancer screening, diagnosis, and access to care in underserved communities.
 - Awarding scholarships for training, research and leadership to help prepare the pathologist leaders of tomorrow.
- Our vision is to support all pathologists to be leaders in their communities and at the forefront of patient-centered care.
